PUBLIC NOTIFICATION ON TRAFFIC DIVERSION

Phuentsholing Thromde would like to inform the general public that the construction of Phuentsholing Chamkuna Road (PCR) and temporary shelter construction at Ammochu Local Area Plan (LAP) are under full swing. In order to facilitate the construction of PCR and temporary shelters without disruption, Phuentsholing Thromde, in consultation with the relevant stakeholders, decided for Traffic Diversion for the convenience of road users and the people who will be living in the temporary shelters.

Therefore, all are requested to take alternate routes to your destination and the existing road will be closed for traffic for the public immediately.

As always, we look forward to the kind support and cooperation of all.
