NOTIFICATION

While gearing up for the much awaited opening of the International Border Gate on 23rd September 2022, Phuentsholing Thromde would like to urge all business entities/residents of core area to step forward in facelifting your building premises, courtyard, backyard etc. Having remained intact and cut off from the neighbouring state for more than two years, it is the right platform for us to revive the former atmosphere and rejoice by displaying various flower pots in front of the structures.

Therefore, Thromde would like to request all building owners and tenants in the core town to partake in this historical event by enhancing the aesthetic outlook of urban areas.

Thanking you

Thrompon
