Public Notification

Attention, Residents of Phuentsholing!

We would like to inform you that, as a result of the heavy and continuous rainfall, several water supply lines in the area have been damaged. Consequently, there may be disruptions in the regular water supply to your households.

If you experience any problems with your water supply, we encourage you to avail yourself of the water tanker services from the Thromde office.

To request the water tanker services, please contact us via the **toll-free number: 1870**. Our dedicated team will be available to assist you and arrange for the delivery of water to your location.

We apologize for any inconvenience caused and appreciate your cooperation during this challenging time. Our water supply team is working diligently to restore the water supply lines as quickly as possible. We will keep you updated on the progress.

Thank you for your understanding and patience.
