Notification

"Where we live must be clean, safe, organized and beautiful, for national integrity, national pride and for bright future. This too is nation building ". – His Majesty the King

To rededicate our responsibilities as a loyal citizen, and to uphold the sanctity of the speech enshrined in many historical books, journals, articles etc. The least we could perform, is by collectively working towards healthy and green environment. Towards this intent, as directed by Southern Covid-19 Taskforce, Phuentsholing Thromde will be organizing mass cleaning program on 21/02/21, coinciding with the Birth Anniversary of His Majesty the King. Therefore, all residents of Phuentsholing, Government Offices, Corporate Offices, NGOs, Private, and Armed Forces should participate in this mass cleaning program from 10:00AM-1:00PM. All business entities/operations shall be closed during the aforementioned time.

Amidst such Global pandemic, while we hear outcry & fall of many countries abroad, His Majesty the King has ushered our home to the realm of blissfulness. Therefore, as a gesture to express our gratitude, Thromde would like to request all residents/offices (government/private/corporate) to participate in this mass event.

*we are also mindful of Covid-19, so participants should wear face mask and come with individual hand gloves. Thromde will be providing refreshments and sack for waste collection. We urge residents to strictly adhere health protocols too. Cleaning Area and list of coordinators will be uploaded soon in social media.
