Date: 24<sup>th</sup> August 2021

**Public Notification**

This is to notify the general public that after the outbreak of COVID-19 cases in the community in Phuentsholing in April 2021 and implementation of lockdown thereafter, many jobs have been lost apart from modest business activities. Today it is reported that many people are leaving Phuentsholing to the low risk areas in search of jobs, revive business activities and make Phuentsholing a livable city as before.

In order to engage our youth and create employment, Thromde will resume collecting parking fee in the core town and periphery areas with effect from **1<sup>st</sup> September 2021**. Reinstatement of parking fee will not only provide fair opportunity to all the residents to park and shop, it would also avoid undue benefit to single customer. The following old fee structure shall be applied:

SI #	Location	Parking Fee Amount (Nu.)
1	Zangdopelri Area	25 per 30 minutes
2	Other Areas	20 per 30 minutes

Therefore, Phuentsholing Thromde would like to request all the public availing the parking facility to kindly cooperate with the parking fee collectors and facilitate in successful operation of the parking management.

*“Together we can make Phuentsholing a livable city”.*
