NOTIFICATION

This is to notify the residents of Phuentsholing Thromde that the Ministry of Health has already initiated line listing of some targeted population like those with disability, co-morbidities, and elderly as these populations may be impacted disproportionately by the COVID-19 pandemic. Therefore, given that the people with disability may be at greater risk of contracting COVID-19 because of barriers to implementing basic hygiene measure, difficulty in enacting social distancing and barriers to accessing public health information.

In this regard, we would like to inform the caregivers of people living with disability in Thromde to kindly contact the toll free no. 6060 for registering them with the Ministry of Health.
