CORRIGENDUM

Phuentsholing Thromde regrets to announce that we are cancelling the recruitment of employees for the following various posts for Mini Dry Port (MDP) announced in Media on 6th March 2020 due to low revenue generation affecting the ability to pay the salaries for the employees because of the current situation of the country (COVID19). The operation of MDP couldn't take up as planned due to the pandemic. Please accept our apologies for this. We have tried all we can, but unfortunately, we had to cancel the recruitment at the last minute.
