Public Notification

This is to inform that the importers are unnecessarily delaying the clearing of goods from the Mini Dry Port (MDP) in Pheuntsholing. The delay has significantly contributed to overcrowding of vehicles in the limited space of MDP, thus increasing the risk of breaching the COVID-19 containment protocol.

With the aim to decongest the traffic and prevent transmission of COVID-19, Thromde Administration has decided to levy **“Demurrage Charges”** as mentioned below with effect from **1st August 2020**.

- | | | |
|---------------------------------|---|------------------|
| 1. Light Vehicle | - | Nu. 200 per day |
| 2. Medium vehicle | - | Nu. 500 per day |
| 3. Heavy and long body trailers | - | Nu. 1000 per day |

All are requested to pay the demurrage charges at the Fee Counter at the exit gate of MDP. Failing to pay the demurrage charges shall be dealt as per the law.
