**NOTIFICATION**

Phuntsholing Thromde would like to notify the general public, government, corporations and autonomous bodies that there has been several instances of damages caused to streetlight, pumping lines, water supply network and waste water. Such damages not only cause supply disruptions, but also pose a risk to property and life. Therefore, Thromde would like to request all to obtain necessary clearance before taking up any works. Please visit or call 1870(toll free) obtaining the clearance.

Also Thromde would like to solicit all to practice safe and organized plantation within premises with landscape, suppress dust, painting and proper waste management to reduce outage time on providing the services.
