**Public Notification**

Phuentsholing Thromde would like to notify the general public that with continuous detection of COVID-19 cases from the community, it is very risky to collect household wastes every day. Also, it is our collective effort to break the COVID-19 transmission as early as possible. Therefore, during the current lockdown household wastes shall be collected as per revised schedule as shown below:

<i>Time</i>	<i>Mega-zone</i>	<i>Day</i>
8:30 – 2:30	Mega-zone - 1	Tue & Fri
8:30 – 2:30	Mega-zone - 2	Tue & Fri
8:30 – 2:30	Mega-zone 3	Wed only

We would like to request the general public to strictly comply with the revised schedule and avoid dumping waste on the road sides and ground floor of the building, since it is found that wastes are being scattered by the stray animals (dogs, cats, cows & horses), thus making the surrounding dirty and unhygienic.

Let's keep our town clean and prevent the outbreak of other diseases!
