**Notification**

Phuentsholing Thromde notifies all the owners of industries, workshops, business entities, and the general public regarding the disposal of waste (religious items/statues) into the water bodies during the celebration of Vishwakarma puja. The disposal of waste into the environment is against the National Environmental Protection Act 2007, the Waste Prevention and Management Act of 2009, and the Water Act of 2011. The disposal of such waste in the water bodies will cause irreversible impacts to the environment and human health. The Thromde has identified a designated site for the disposal of the waste generated during the Vishwakarma puja.

Therefore, we kindly request all to contact Thromde via 1870/77691946 for the disposal of waste. Thromde shall strictly monitor and if found disposing of in areas other than the designated areas, a penalty shall be imposed.
